TOWN OF SUGAR HILL

ANNUAL TOWN MEETING MINUTES – RESULTS

MARCH 8, 2016

Moderator James F. Snyder declared the polls open at 11 AM for the voting by ballot on Article 1 (the election of town officers). Polls will close at 7:30 PM unless the town votes to keep the polls open to a later hour. All other articles will be presented, discussed and acted upon at 7 PM. Moderator Snyder went over his rules of conduct for the meeting. The Moderator asked that all newly elected officers stay after the meeting to get sworn in by the Town Clerk. The meeting opened with the Pledge of Allegiance. Moderator Snyder asked that all current or past members of the military remain standing for a round of applause thanking them for their service to our country. Article 1 to be passed over until ballots are counted at which time Moderator Snyder will read the results.

ARTICLE 1: To vote by nonpartisan ballot for the following Town Officers:

One Select Board Member to serve for a term of three (3) years
 A Town Treasurer to serve for a term of one (1) year
 A Town Clerk to serve for a term of one (1) year
 A Tax Collector to serve for a term of one (1) year
 One Library Trustee to serve for a term of three (3) years
 One Trustee of the Trust Funds to serve for a term of three (3) years
 One Board of Adjustment member to serve for a term of three (3) years.
 Two Board of Cemetery Trustees to serve for a term of three (3) years.
 A Moderator to serve for a term of two (2) years
 And such other Town Officers as may be required by law.

RESULTS OF ARTICLE 1:

Selectman, Three Year Term	Margaret Connors	100
Town Clerk, One Year Term	Lissa M. Boissonneault	104
Tax Collector, One Year Term	Lissa M. Boissonneault	104
Town Treasurer, One Year Term	Amy Venezia	105
Library Trustee, Three Year Term	Anne Christoffersen	105
Trustee of Trust Funds, 3 Year Term	Gregory Connors	101
One Board of Adjustment, 3Year Term	Mike Hern	100
Cemetery Trustee, Two Three Year Terms	Holly Hayward	100
	Beth Perlo	92
Moderator, One Two Year Term,	James Snyder	105
Supervisor of the Checklist, One Six Year Term	Starcy Branch	102

ARTICLE 2: To raise such sums of money as may be necessary to defray Town charges and make appropriations of the same as set forth in the following budget:

Executive	50,325
Election, Registration & Vital Statistics	21,879

Legal Expenses		12,000
Planning Board		2,000
Zoning Board of Adjustment		500
Insurance		173,629
General Government Buildings		37,700
Buildings & Grounds		28,350
Cemetery		5,200
Advertising & Regional Associations		7,459
North Country Council	959.00	
Franconia Notch Chamber	6,500.00	
Police Department		167,087
Fire Department		78,400
Ambulance		13,845
Building Inspections		1,500
Emergency Management		500
Airport		700
Town Maintenance		188,085
General Highway Department Expense		185,383
Highway Block Grant		39,186
Street Lighting		6,000
Solid Waste Disposal		53,043
Health, Hospitals		5,567
NC Home Health	1,775.00	
Grafton County Senior	100.00	
American Red Cross	292.00	
Ammonoosuc Com Health	1,250.00	
Burch House	300.00	
Above the Notch	350.00	
Boys & Girls Club	500.00	
Center for New Beginnings	500.00	
Franconia Childrens Ctr	500.00	
Welfare	Tri County Cap	1,450.00
Unemployment		100
Library		26,975
Parks & Recreation		31,449
Patriotic Purposes		2,000
Conservation Commission		750
Interest Expense – Tax Anticipation		1,000
Long Term Notes		37,500
Interest Long Term Notes		30,000
TOTAL APPROPRIATIONS		1,280,589

The Select Board recommends these Appropriations.

Moderator Snyder noted that the Warrant is has two typographical errors. Payroll Taxes should be \$29,059 and Financial Administration should be \$21,590. The bottom line does not change.

Moved by **Richard Bielefield**

Seconded by **Greg Connors**

All in Favor, “aye”, opposed “No”, the “Ayes” have it.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund created in 1976.

The Select Board recommends this Appropriation.

Moved by **John Strasser**

Seconded by **Cathy Strasser**

Explanation of article by Road Agent Doug Glover

All in Favor, “Aye”, opposed “No”, the “Ayes” have it.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be used for Highway Department Roadwork improvement projects to be chosen at the discretion of the Road Agent and Selectmen. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the fund is expended or in 3 years, whichever is less. (Majority vote required)

The Select Board recommends this Appropriation.

Moved by **John Strasser**

Seconded by **Nancy Martland**

Explanation of article by Road Agent Doug Glover

All in Favor, “Aye”, opposed “No”, the “Ayes” have it.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be placed in the Fire Department Heavy Equipment Capital Reserve Fund created in 1993.

The Select Board recommends this Appropriation.

Moved by **John Strasser**

Seconded by **Bev Frenkiewich**

Explanation of article by Fire Chief Allan Clark

All in Favor, “Aye”, opposed “No”, the “Ayes” have it.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be placed in the Fire Department Building Capital Reserve Fund created in 2008.

The Select Board recommends this Appropriation

Moved by **John Strasser**

Seconded by **Tim Egan**

Explanation of article by Fire Chief Allan Clark

All in Favor, “Aye”, opposed “No”, the “Ayes” have it.

Moderator Snyder closed the polls at 7:30 PM

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be placed in the Highway Department Bridge Capital Reserve Fund created in 2006.

The Select Board recommends this Appropriation.

Moved by **Margaret Connors**

Seconded by **Russ Gaitskill**

Explanation of article by Road Agent Doug Glover

All in Favor, “Aye”, opposed “No”, the “Ayes” have it.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be placed in the Northern Pass Defense Trust Fund created in 1976.

The Select Board recommends this Article.

Moved by **Richard Bielefield**

Seconded by **Nancy Martland**

Explanation of article by Margaret Connors, Selectperson
All in Favor, “Aye”, opposed “No”, the “Ayes” have it.

ARTICLE 13: To see if the town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of Police Special Duty. All revenues received for Police Special Duty from associated charges, fees, or donations will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town’s general fund balance. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. (Majority vote required)

Moved by **Richard Bielefield**

Seconded by **Greg Connors**

Explanation of article by Police Chief David Wentworth
All in Favor, “Aye, opposed “No”, the “Ayes” have it.

ARTICLE 14: To transact any other business that may legally come before this meeting.

Margaret Connors spoke on behalf of the Northern Pass committee. She urged that all concerned Sugar Hill residents attend an upcoming meeting that the Site Evaluation Committee is holding on March 14 for Grafton County at Plymouth State University. This is the chance to voice your opinion to defeat the Northern Pass project. Judy Weisenberger also stressed the importance of this meeting. Even if you do not speak, wear orange the official color of the defeat Northern Pass movement.

Carl Martland inquired about not raising capital reserve money for the Meeting House this year. The Select board informed that no funds were needed this year as the Sugar Hill Improvement Assn. has taken on the Meeting House as their latest project. New windows will be installed this year with an ongoing plan for other improvements in the future, all this at no cost to the taxpayer as trust fund money from the association will be used for all expenses for the upgrades. . Fire Chief Allan Clark gave an update on our former Police Chief Jose Pequeno who was gravely injured in the Iraqi war. He stated that he has improved and spent a good deal of time in NH this past summer, even attending the annual meeting of the North Country Public Safety Foundation which was created after Chief Pequeno was injured and brought home. Allan Clark also thanked our present Police Chief David Wentworth for all his help with Chief Pequeno while in NH.

Nancy Martland asked about how the Carolina Trust Fund monies were invested and Allan Clark, a Trustee of Trust funds committee member gave an explanation of how the funds are handled and invested governed by law. He also made mention of the book award monies that are given out each year to graduating Sugar Hill Students which is ongoing into their college years. Maxine Aldrich made note of this fact also. Kathy Cote also made known that each Sugar Hill student is sent a letter explaining how to apply for the funds but the application for said funds has to be sent to the Sugar Hill Improvement Committee in order to receive a book award.

Richard Bielefield, Selectperson, thanked Katherine Bigelow and Lissa Boissonneault on the photos and layout of this year’s Town Report cover. He also thanked all the volunteers that serve on committees that make Sugar Hill the great town that it is. There is always a need for more volunteers, just ask! Dick made mention of one of Sugar Hill’s

ultimate volunteers, William Pinney who passed way in 2015. He will be greatly missed. Thanks were made to Dennis Cote, who sets up the sound system for the Town Meeting and also to Chef Joe and Nancy Peterson for providing the evening meal for the election workers. Dick also gave sincere thanks to Jennifer Gaudette, Administrative Assistant to the Select board for twenty years of service. John Strasser thanked Richard Bielefield for his ongoing service to the town in many capacities including over twenty years on the Select board, this year's Town Report being dedicated to Dick.

Lissa Boissonneault thanked all the election workers for their dedication to the job and the long hours spent at elections to make them run smoothly and according to the law. Lissa also honored Jennifer Gaudette by saying: This is Jennifer Gaudette's 20th year as Administrative Assistant to the Select board. She performs her duties professionally and with great knowledge of the Town of Sugar Hill and its affairs. We are so very fortunate to have her as our advocate and representing us in the many arenas that her position requires. I ask that when you are in the office or on the phone with her or see her out and about to please say thank you and congratulations on her continuing excellent service to the Town of Sugar Hill.

Results of the Town Ballot were read by the Moderator.

Town Officials sworn in at 8:30 PM

There being no further business, Moderator Snyder adjourned the 2015 Sugar Hill Town Meeting adjourned at 8:15 PM

Respectfully submitted:

Lissa M. Boissonneault, Town Clerk

ACCOUNTANTS' COMPILATION REPORT

To the Board of Selectmen,
Town of Sugar Hill:

Management is responsible for the accompanying financial statements of Town of Sugar Hill, which comprise the balance sheet as of December 31, 2016, and the related statement of revenue, expenditures and fund balance for the year then ended, included in the accompanying prescribed form MS-535. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements included in the accompanying prescribed form MS-535 nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements included in the accompanying prescribed form MS-535.

The financial statements included in the accompanying prescribed form MS-535 are intended to comply with the requirements of New Hampshire Department of Revenue Administration, and are not intended to be a presentation in accordance with accounting principles generally accepted in the United States of America.

SELECT BOARD'S REPORT

Sometime during 2017, Sugar Hill will reach the ripe old age of 55! The event gives us an opportunity to reflect on our founding fathers – now almost all gone- and the yeoman work they did to leave us the legacy that is Sugar Hill. It is more than a town, a mindset, way of working together for all our good, and creating a place where we are all comfortable living, and where we all contribute to making Sugar Hill the kind of place we want to live.

As usual 2016 presented the challenges of its predecessors. After five months of late fall passed for winter we went into a several months' drought and now into a winter of ice. So, if you don't like the weather????

The windows in the Meeting House have been replaced with weatherized sashes. There were those who really felt we needed to replace the previous ones with wood replica sash, but the best cost for each was quoted about \$5000 per. Those would have totaled \$60-75,000 installed since \$5K did not include installation, and those figures were difficult to justify. The meeting house is now pretty much draft free and more comfortable during meetings and events. Additionally, lighting was renovated to make it more practical for the kinds of events held at the building. Our very deep appreciation to the Sugar Hill Improvement Association who funded the work. Next will be cosmetics in the meeting room which can begin when a consensus of what is to be done and how is reached. Also there will be work completed on the steeple and clock faces by Stevenson Services.

We continue to work through the complexities that are the Crane Hill Bridge off Streeter Pond Road. The existing bridge is some 90 years old, has had ice beating on it almost every time it went out several times each winter. It has lead paint projected to cost some \$500,000 to remediate. Both abutments are compromised and cracked. Preliminary costs are about \$2 million plus, of which the state will cover 80% and the towns share will be 20%, should renovation prove to be the best solution.

At the same time, we have an estimate of approximately \$2 million to replace the bridge at a location a few yards up river. We studying the potentials of each possibility, and will advise all when something definitive presents itself. This whole situation is not simple. Each possibility seems to present advantages as well as disadvantages making weighing pros and cons complex. Currently, we are considering several possible solutions attempting to define what is best for the town. More later as it clarifies.

Lastly, as in prior years, we would be remiss were we not to express our deep appreciation to all who have worked diligently for our town. It is a special place largely due to the efforts of each of those who have contributed in so many ways. We are endlessly grateful. THANKS!!!

CEMETERY TRUSTEES' REPORT

The year 2016 saw the continuation of projects the Trustees had approved. John Hanks of Littleton Monument will continue to maintain the monuments as needed at both Sunnyside and Streeter Pond Road Cemeteries. Peter Carbonneau is a wonderful sexton and caretaker and does an outstanding job of maintaining the grounds.

Kellogg Surveying completed the survey of lots and access roads for the cemetery extension. The roads will be constructed by Road Agent Douglas Glover and his Highway Department crew. It is hoped that one section of the new area will have lots available for sale once the roads are complete.

A special thank you to the Littleton Veterans' of Foreign Wars for their participation at Sunnyside on Memorial Day and to NEST of Littleton for providing the red roses.

Special thanks to Lorraine Hunt's family for remembering our Veterans with flags for Memorial Day. Additional thanks to Doug Glover and his crew for the road maintenance and assistance with burials as needed.

Respectfully submitted,
Beth Perlo, Chairperson
Susan Stith, Holly Hayward
Meri Hern, Kathleen Jablonski
Cemetery Trustees

PLANNING BOARD

The Planning Board meets the first Wednesday of the month at 5:30PM at the Carolina Crapo Memorial Building. The Planning Board approved the following activity for 2016:

Major Subdivisions: 0
Minor Subdivisions: 2
Lot Line Adjustments: 2
Voluntary Merger: 1

Any resident interested in serving on the Planning Board should write a letter of interest to the Select Board. Appreciation is due to all the members who generously volunteer their time and work to maintain the quality and beauty of our Town.

Respectfully Submitted,
Amy Venezia, Secretary

ROAD AGENT'S REPORT

For your Highway Department 2016 was a budget friendly year with not a lot of snow to plow but a fair amount of ice to treat instead. Not plowing constantly means that the paved and gravel roads did not sustain heavy damage. After winter clean up and picking trash on sides of the road, I was able to tour the roads with the road committee and put together a plan to start with no delays. Replacing cross pipes and drainage work led up to paving with hot mix from the Easton and Toad Hill Road intersection up to the Easton and Dyke Road intersection. We were able to make about 1500 tons of cold mix that we used around town in many locations. Next up was Streeter Pond Road where we were able to shim from one end to the other which is paying off this winter with no frost heaves and being able to plow all the snow off. This coming year I look forward to doing some grinding and shim on Pearl Lake Road at least from Route 117 to the top of the hill by the powerline and some cold mix work on Easton Road.

So far this winter the only road that has had a lot of problems is Sunset from the four corners to the top. This was caused by using salt to keep it clear of ice and the cracks in the pavement have let water in which created the pot holes that are there now. The Town of Landaff did a project last summer called a chip seal. This seals the cracks and puts a wearing course on top of liquid asphalt. I believe this would be a very cost effective way to fix the problem on Sunset. In the spring I will have the road committee look at Sunset and also take a trip to Landaff to see how well the process held up.

Again, it has been my pleasure to work for the Town of Sugar Hill and all the taxpayers. I would like to thank the Select Board for all their support and all other agencies that worked with us this past year. In our continuing effort to drain water, if any taxpayers would like some clean solid fill please contact the Highway Garage at 823-8788 and we will be happy to put you on the list.

Respectfully submitted,
Douglas Glover, Road Agent

SUGAR HILL ROADS COMMITTEE

The Select Board created the Roads Committee in 2012 in order to provide input to the Road Department and the Select Board regarding priorities for roadwork. The Committee works with Doug Glover, the Town's Road Agent, to address issues such as the following:

- Is Sugar Hill using the right policies for maintaining roads?
- What are the most efficient and most effective ways to maintain roads?
- How can we develop a better long-term strategy, taking into account options both for maintaining road and for financing road improvements?

On July 7th, members of the Committee traveled through Sugar Hill with Doug Glover to view the places most in need of road work and to review his plans for surfacing and other rehabilitation projects. In November, Carl Martland once again documented conditions on the town's major paved roads by taking photographs at 0.1 mile increments on each

major road and by noting ride quality along each road. Since 2012, the average conditions of the town’s roads have improved substantially. In 2016, more than 90% of the paved roads provided a smooth ride for cars traveling at the speed limit, a large increase from 70% at the same time of year in 2012. In 2016, more than two thirds of the town’s major roads were in excellent or good condition, and only 5% were in poor or very poor condition, which were also a significant improvement over 2012 (compare the two pie charts shown below).

Road Condition 2012

Road Condition 2016

In 2017, the committee will continue to work with the Highway Department and Select Board in setting priorities for road work and in examining long-term strategies for maintaining and improving our roads. The first priority for road work will be to repair the damage incurred over the winter.

Sugar Hill Roads Committee
Carl Martland
Jody Hodgdon
Brinson Ireland
Rick Quintal

CRANE HILL BRIDGE TOWN ENGINEER'S REPORT

Under contract to the Town, HEB Engineers of North Conway completed an Engineering Study report for the Crane Hill Bridge on November 1, 2016. Prior to completion of the report, findings and recommendations by the contractor were presented at a public informational session July 18th. The Select Board, Road Agent and myself met with the HEB Engineers at a regularly scheduled Select Board Meeting on November 21st to discuss the report. Alternatives recommended for consideration by HEB Engineering were as follows:

Alternate 1	Do Nothing	\$ None
Alternate 2	Bridge Removal	\$ 150,000
Alternate 3	Bridge Rehabilitation without Ice Hazard Mitigation	\$2,150,000
Alternate 4	Bridge Rehabilitation with Ice Hazard Mitigation	\$2,550,000
Alternate 5	Bridge Replacement upstream	\$2,150,000

1. Would allow the bridge to deteriorate until conditions would require closing. This alternative was not recommended.

2. For removal would require dead ending of Crane Hill Road with a turn-around.

3. Would require replacement of some structural steel members, repainting of all remaining steel, replacing the existing deck with a transverse glue laminated timber deck with a paved surface and repairing abutments.

4. Is similar to #3 with the added requirement of raising the bridge by 2' to protect against ice flow damage. This alternative also includes the raising of Streeter Pond road for several hundred feet and the Crane Hill approach to accommodate the raised bridge elevation.

5. Involves a new Two lane 120' span concrete bridge with steel beams approximately 80' upstream of the existing bridge. Due to the structural depth of this bridge and the NH DOT requirements for new bridge construction to be 1 foot above the 50year flood mark, significant raising of Streeter Pond Road would be required for several hundred feet.

After consideration of the cost and impacts of the alternatives a decision was made to temporarily suspend contractual activities. The Town is actively exploring other alternatives that may be less costly and be more environmentally acceptable. One or two precast concrete structures are being investigated for the location 80' above the existing bridge. Our objective is to determine if an equal or less expensive crossing could be constructed with minimizing the raising of Streeter Pond Road and Crane Hill Road. Our activity will be coordinated with NHDOT. Cost incurred will be reimbursed by the State on State/Local 80%/20% cost sharing basis. Present costs are being incurred entirely by the Town of Sugar Hill with reimbursement by the State when construction bidding commences.

William F. McCarthy
Town Engineer

SUGAR HILL NORTHERN PASS ACTION COMMITTEE

(SNOPAC)

The 2011 Sugar Hill Town Meeting voted to oppose the Northern Pass project as proposed. At the 2014 meeting, the Town established a Northern Pass Legal Fund to use as needed to defend our position.

Northern Pass submitted their project to the New Hampshire Site Evaluation Committee (SEC) for approval in October, 2015 and Sugar Hill through its' attorneys Gardner, Fulton & Waugh, petitioned the SEC to allow it to intervene. The project proposal has changed since 2011, but the Town's position has not changed. 1.7 miles of the project would be buried under Route 18 impacting house lots, businesses, Coffin Pond and the Gale River. We are concerned about the possible degradation of our natural resources, as well as road closures and disruption to traffic and emergency services. Sugar Hill is sharing legal expenses with 12 other Towns along the route (including Franconia and Easton), and working with these communities on a comprehensive opposition strategy. The litigation phase of the SEC process begins in April and should last through the end of July. A representative from the Select Board will testify on behalf of the Town. Sugar Hill is also working with a larger group of communities to protect historic sites that would be negatively affected by the HVDC lines.

Contact Nancy Martland or Margo Connors for more information.

SUGAR HILL POLICE DEPARTMENT

Welcome to 2017! Last year was a bittersweet year with plenty to talk about:

We said good-bye to Sgt. Rick Ball who left Sugar Hill to become a Sergeant for the Littleton Police Department. He wants everyone to know that leaving Sugar Hill to join the Littleton Police Department wasn't an easy decision; he truly enjoyed working for Sugar Hill and misses the people in our community a great deal. Fortunately, Officer Zach Chicoine was willing to step up to fill his position and was promoted from a part-time Officer to our newest full-time Officer.

We implemented a "Good Morning" program in Sugar Hill; which includes making regularly scheduled contact with citizens who live alone and would benefit from being checked on to make sure they are O.K. We contact them on a regular schedule to say "good morning" and to make sure they are doing well. We have several citizens currently enrolled in the program. If you are a citizen of Sugar Hill, or if you are a family member of someone in Sugar Hill, who would like a little peace of mind knowing that we are looking out for you or your loved one, feel free to contact us to sign up for this awesome program.

We grew out of the small office previously used to house the entire Police Department. In order to resolve this problem in the most economically feasible way, we closed off the landing at the top of the stairs and turned this into storage space. We also expanded the PD into the area formerly used as a foyer and walk-through. This had always been the vision for this space. The best way to access to the Police Department is now through the main entrance into the Carolina Crap Building.

For those of you who haven't already heard, we have a reality TV star on the Sugar Hill Police Department. Animal Planet has initiated a television series called "North Woods Law" that includes Conservation Officer, Bob Mancini, our part-time Sugar Hill Officer, performing his duties as a full-time NH Fish & Game Officer.

In closing, I wanted to let everyone know that I intend to retire as the Sugar Hill Police Chief in September of 2017. It has been an honor and a privilege to serve the community of Sugar Hill. Although I will miss you all, I have been involved in Law Enforcement since I was 19 years old and I'm looking forward to starting a new chapter in my life. I have sincerely enjoyed and appreciated the wonderful relationship the Police Department has had with our community and with my coworkers in the Town of Sugar Hill.

Sincerely,
Chief David D. Wentworth

SUGAR HILL FIRE DEPARTMENT

During 2016 your Fire Department continued to be very active in training and with emergency calls. We responded to 57 emergency calls in 2016 and fortunately only one was a minor structure fire. The most dramatic fire was 160 bales of hay on a trailer adjacent to a structure on Route 117 at the 5 corners. This was quickly controlled, but took hours to completely extinguish. Fortunately, unlike past years, we had no drug overdose calls in 2016. The Department is trained to deal with them and two members of the Department carry Narcan.

Your Fire Department is well equipped, adequately staffed and highly trained. The Department has 21 dedicated firefighters who are all very active. Although the firefighters are part-time employees, they are committed to providing the Town with the coverage and the services usually found only in full time departments.

We continued our extensive training by training a minimum of two times per month plus a weekend away at Fire School. The skill level of your firefighters is very high for a community our size. Although our call volume is not high, when we do have a structure fire or other serious emergency we must have the training and equipment to professionally handle the fire or emergency. Your Fire Department is recognized by other departments in the region as highly professional and competent.

The Engine that we utilize to provide a water source has a body and pump that is 40 years old and a chassis that is 19 years old. The Engine has a steel body that is rusting away and it is not cost effective to repair. Provided the Town funds our capital reserve this year in the requested amount of \$55,000 we will have adequate funds to replace this Engine. The new Engine will cost \$305,000 which is a lot of money, but is reasonably priced compared to what many communities are spending which is well in excess of \$400,000.

Once this Engine is replaced all of the apparatus bodies are either aluminum or polycarbonate. Our oldest truck will be our Rescue truck which we acquired in 2004 and is in excellent condition. We will continue to request that our capital reserve be funded to be certain that there are adequate funds to replace apparatus after the expected 25 years of service.

The Fire Department responded to the following:

<u>TYPE</u>	<u>2016</u>	<u>2015</u>	<u>2014</u>	<u>2013</u>

TOTAL	57	55	52	49

As of December 31, 2016 the Fire Department's active roster increased from eighteen to twenty-one of your neighbors who are as follows:

Chief Allan R. Clark		
Asst. Chief Doug Glover		Asst. Chief Doug Amsbary
Captain Gordie Johnk	Lieutenant Jim Synder	Lieutenant Cliff Aldrich
Engineer Michael Warren	Lieutenant Brinson Ireland	Engineer Ned Wilson
Tim Burger	Eric Chase	Jeffrey Collins
Nelson Crowe	Russell Gaitskill	Jody Hodgdon
Dan Kenerson	Kevin Low	Sam Johnk
Rick Quintal	Eric Rasmussen	Cort Roussel

We are fortunate to have increased the number of active firefighters during a period when many departments are decreasing in size due to the inability to attract new firefighters. In January, we added another excellent firefighter.

The commitment in time to be a firefighter is significant and Sugar Hill has been extremely fortunate to have an excellent complement of firefighters willing to make that commitment. It is nice to see younger members join the Department as several of the firefighters are now quite experienced including Doug Amsbary, Doug Glover, Gordie Johnk, Jim Snyder and Cliff Aldrich who have each committed several decades serving the community.

We enjoy holding our annual Open House in October where many of the residents stop by and spend a little time looking at our equipment and chatting with the firefighters. We sincerely appreciate all of the kind words expressed to the firefighters. Please put October 14, 2017 in your calendar and stop by and observe your equipment, meet your firefighters and enjoy a free lunch.

It is truly an honor to serve such a wonderful community as Sugar Hill as the Fire Chief. Hard to believe, but I have been with the Department now 15 years. Thank you for your support and thank you to the firefighters for their support and dedication. I especially thank the spouses of the firefighters for tolerating the many disruptions to their family life for the good of the community.

Respectfully submitted,
Allan R. Clark
Fire Chief

EMERGENCY MANAGEMENT DIRECTOR

The responsibility of the Emergency Management Director is to coordinate the efforts of the Town during an emergency towards a unified goal and to prepare the Town for major incidents. Emergency Management in Sugar Hill is a cooperative effort of the Highway Department, Fire Department, and Police Department working together toward a common goal. Sugar Hill is fortunate to have Departments that work very well together. Chief David Wentworth and the Police Department, Highway Superintendent Doug Glover and his crew and the Fire Department are extremely competent and “customer” service oriented.

The Town has worked hard to identify the hazards the community can face and developed a plan and the infrastructure necessary to mitigate those hazards. We continue to work to seek grant funds to pay for the mitigation of these natural hazards.

Last year, we upgraded the “local” radio system which is utilized by highway, fire and police all on the same channel to utilize a “repeater” which provides communication unit to unit throughout the entire Town unlike prior to the upgrade.

We are currently working with both the Federal and State governments to obtain permission to dredge the river near the Crane Hill Bridge to prevent ice jams. We are hopeful that if we can gain the required approvals that we can obtain a grant to mitigate this hazard. We are also updating the 5-year Hazardous Mitigation plan which is a requirement to obtain Federal grants. This will be the fourth mitigation plan that I have personally been involved with.

Emergency Management is responsible for placing the 911 signs at each property and will be surveying the Town and placing 911 numbers that are missing or are new properties this spring.

Please do not hesitate to contact your emergency services by calling me at 603-494-1491 should you require any assistance. It does not need to be a true emergency; it can simply be something that requires the resources of the Town to mitigate. The Fire Department, Highway Department and the Police Department are willing to help the citizens and visitors to Sugar Hill during a time of need.

Respectfully submitted,

Allan R. Clark

Emergency Management Director

REPORT OF FOREST SUGAR HILL FIRE WARDEN AND STATE FOREST RANGER

Over the past two years, New Hampshire has experienced its busiest fire seasons since 1989 with 1,090 acres burned during the 2016 season. The White Mountain National Forest experienced its largest fire since becoming a National Forest, burning 330 acres in the town of Albany in November. Fires falling under state jurisdiction burned 759 acres, with the largest fire of 199 acres occurring in Stoddard. The extremely dry summer led to a busy fall fire season with large fires occurring as late as mid-November

The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires within the state during the 2016 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials.

As we prepare for the 2017 fire season, please remember to contact the Forest Fire Warden before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are available online at www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental

**Caledonia Essex Area Ambulance
Service Inc.
2015 Town Report
Sugar Hill
2015 CALEX Responses 32**

Another busy year providing Emergency Services in our region. CALEX continues to provide the highest quality of pre hospital care to all the towns we serve providing 911 coverage at the Paramedic level 24/7/365. Serving 12 towns in Vermont & New Hampshire – Saint Johnsbury, Waterford, Barnet, Concord, Kirby, Victory, Danville, Peacham, Walden and in New Hampshire – Littleton, Sugar Hill, Easton.

We responded to 32 calls for service in the Town of Sugar Hill, down from 2015 of 57 responses. Our busiest day is Monday and our busiest time is from 0900-1200. Our average response time for our entire service area in our NH operation is little over eight minutes. Overall for our agency both VT & NH we responded to 3,667 up slightly from 2015. CALEX provided 782 inter-facility transports throughout the year, 266 were NH destination transfers. CALEX continues to provide emergent and non-emergency transports from Littleton Regional Hospital to various facilities across the state.

The system creates many challenges as we have overall low volume and a high no transport rate. This financially creates a high cost of readiness, as close to 400 of our NH responses were non-billable.

CALEX St. Johnsbury continues to serve as the area's American Heart Association CPR and First Aid Public Training Center. Classes are offered monthly to the public, they can also be arranged to be held privately, and are also held for large and small businesses throughout the Kingdom. Of course, having seen first-hand the positive difference immediate CPR and First Aid can make to patient outcomes, we urge everyone, from teens to seniors to take part in these classes. Imagine the joy in knowing you made the difference in saving a life, easing fears, and/or discomfort. Those who have been able to make the difference in even the life of a stranger will tell you how wonderful the experience truly is. Visit us at www.calexambulance.org to sign up today! We have also begun an annual EMT/AEMT/Paramedic refresher training program for area folks who need to maintain the requirement for recertification and ongoing training.

As we end 2016, I look forward to another successful year of providing the very best of pre hospital care to our communities. We are fortunate to have such a dedicated and experienced team providing care for when it is needed to anyone who may need our service in the communities we serve.

In closing, I would like to thank all of our staff, their families, and the CALEX Board of Directors and our dedicated dispatchers for their continued support and dedication to the Agency's mission.

Respectfully Submitted,

Michael J. Wright, NREMT-P
Chief Executive Officer

FRANCONIA LIFE SQUAD

The Franconia Ambulance currently has three (3) members who are certified to provide Advanced Life Support, two (2) of whom are nationally registered paramedics. The Franconia Ambulance at years' end, has eleven (11) active members. A membership well prepared to assist our citizens and the visitors to our area with quality emergency medical care.

All members are Nationally Registered Emergency Medical Technicians. They are continually training and improving their skills. Each member must have a minimum of 20 hours of continuing education each year for a total of 40 hours after two years, at which time they must reapply for their national certification and state license.

Many of the members have other specialized training including ice rescue, swift water rescue, high angle rescue and motor vehicle extrication certifications. All of our members are certified in advanced CPR and in the use of the heart monitor and defibrillator. Most importantly, all of our members are dedicated to providing compassionate emergency medical care from the scene to the hospital.

The Ambulance Service continues to seek its' membership from the surrounding area by recruiting from the towns of Franconia, Sugar Hill and Easton, the same communities it provides service to. Anyone willing to volunteer is welcome to apply for membership. Each member is dedicated to providing the highest quality emergency care to the communities we serve.

The current list of active members of the Franconia Ambulance are:

Chief Paul Schmucker EMT

Asst. Chief Mark Taylor EMT

William Mead Paramedic

Bill Blackwell AEMT

Susan Simpson EMT

Zach Chicoine EMT

Capt. Pam Oakman Paramedic

Allan Clark EMT

Ned Wilson EMT

William McCarthy EMT

Jeffrey Collins EMT

The Franconia Ambulance responded to 295 calls for assistance during 2016, of those 176 required transport.

In 2016, the total operating expenses for the Franconia Ambulance were \$81,216.89. While income obtained from patient billing and subsidies from Sugar Hill and Easton totaled \$96,482.89. The net cost for the operation of the Franconia Ambulance to the Town of Franconia being no cost and a surplus of **\$15,266.35** was returned to the town.

Your Ambulance is currently operating at the Advanced Life Support- paramedic level.

Again, I sincerely thank the townspeople for their continued support and the privilege of serving them. And I especially thank the men and women of the Franconia Ambulance for their countless hours of dedication and sacrifice, serving others in their community in their time of need.

In closing, I would like to pay homage to one of Franconia Ambulances' founding fathers Joel Peabody. Who recently passed away at the all too young age of 70. Joel had the vision and foresight to see the need for medically trained residents to respond to calls of assistance from their neighbors in their growing community. And during his life contributed his time and energies toward that goal and the continued growth of that Ambulance service and the idea of neighbor helping neighbor.

Respectfully submitted,
Paul Schmucker-Chief
Franconia Life Squad

RICHARDSON MEMORIAL LIBRARY

Thanks you taxpayers and all our patrons for your support. It's rewarding to see more and more patrons getting acquainted and sharing their love of books. Expanding toddler resources, adapting to our changing demographics, and meeting patron's special needs was a budget challenge. We cut some line items and moved the dollars to demands for more books, E-books, audios and movies. We emptied our checking account, reduced the salary dollars, and increased our Inter Library Loans dramatically. We've replaced about sixty percent of the collection via new books and weeding and consider the collection pretty much updated. AMEN to that job I hope!

Without funds however we struggled again to meet patrons' request for programming. But thanks to several generous patrons we did manage to squeeze in a few programs. Our six-week Saturday Watercolor Workshops, mentored by Kay M., were such a great success we will repeat them next year. Kathy J and 4-H fulfilled a request from young patrons to become certified in babysitting. Although we did not meet families' request for a preschool, they enjoyed a cozy place to meet inside as well as outside in SHIA's new sandbox. **We welcome any support to start a new story time program.**

Kitty B. and the Museum have begun working on accessioning our small historic collection and the Library was glad to support the Museum's auction with children's activities. The Willing Workers' funded Edie Clark's speaker's fee at the Elaine Burpee Lupine event. Space has been provided for a puzzle swap and once again, the "Sisters" have added seasonal decorations that were enjoyed by all.

A special invitation to patrons who haven't visited in a while; stop in and see what services are available: individual request honored, loans of E-Readers with extended loans for those in need of large print, printing and copying, Wi-Fi, 3 public computers, thousands of E materials to download for free, an updated cozy corner for the very young, a puzzle swap, and more.

CONSERVATION COMMISSION REPORT

In 2016, the Conservation Commission has worked on and completed several major projects that benefit the people of the town of Sugar Hill. These have included the upgrade of the Coffin Pond Conservation Area, a new trail at the Phillip Robertson Town Forest, signage at the Cooley-Jericho Community Forest, and continued updating of the Town Forest Management Plan. Conservation Funds from the land use change tax were used to fund most of these projects.

We completed renovation of the Coffin Pond Conservation area, which now provides signage, improved parking, and boat access to the pond while removing several unauthorized roads and paths. The result is a safer and more attractive area providing recreation and access to both the pond and the trail around the pond. You may have noticed a dramatic drop in the water level of the pond last fall. This was due to blockage of the inlet by rocks and beaver activity. Doug Glover was able to clean it out, but we plan to replace culvert and improve inlet leading to pond this spring.

A Coffin Pond Clean-up Day was completed on November 9th by students from Profile High School. The middle school Outdoor Adventure class taught by Sean O'Brien completed a walk around of the pond and collected 2 large bags of trash. Thank you to Mr. O'Brien and class for your help and community spirit!

During the summer, members of the Conservation Commission met with Ben Hudson to commission the building of a new trail at the Phillip Robertson Town Forest. The trail is designed to include several different habitats and forest types. It passes near a vernal pool and wetland, a pond and follows a stream for a section that allows views of a small canyon. The trail was roughed out this fall with markers put in place. Young people in the community who are interested in volunteer activities of trail development or maintenance are encouraged to contact the SHCC.

The Town Forest Management Plan was reviewed and revised with professional forester Ben Hudson of Lyme, NH to continue to work toward its goals of conservation and land stewardship.

In addition to the above projects, the Conservation Commission has continued to assist property owners with issues related to state permits by reviewing applications for wetlands permits and conducting site visits for town residents seeking permits. We encourage people to contact us with any questions they might have about completing any of the above applications. Grant funds are available from the Commission to assist with projects that will benefit that town as a whole. Both the application and the criteria for selection are available on the town website.

TRI-TOWN TRANSFER STATION

2016, the tragic year we lost Donald "Chippa" Demick. He was a good friend and a credit to this community. He will be greatly missed. Corey Rush also left the Transfer Station. He is now working with the Town's Grounds and Maintenance Department. To fill the void, we have hired Eric Rasmussen and Seth Raynor.

PEMI-BAKER SOLID WASTE DISTRICT

2016 Annual Report

This past year, the Pemi-Baker Solid Waste District continued its cooperative efforts to promote waste reduction, increase recycling, and to provide residents with a means of properly disposing of their household hazardous waste (HHW).

The District held two (2) one-day HHW collections, one in Littleton and the other in Plymouth. A total of 161 households participated in the program – down from last year's high of 269. It was estimated that over 11,000 tons of material was collected. Total expenses for this year's program (disposal costs, advertising, & insurance) were \$22,348. The District was awarded a grant from the State of NH for \$5,587, and received a \$5,000 donation from Casella Waste. The net expenditures for the program were \$11,761 (a cost of \$.42 per resident).

In 2017, the District will once again hold collections in Littleton (Sunday, August 27th) and in Plymouth (Saturday, September 30th). Individual residents can help to minimize the District's disposal costs and reduce the toxicity of the waste stream by remembering a few of these helpful tips; Buy only what you need. If you have leftover product, properly store it so it will last. Use biological controls and organic products for pests and diseases in the garden when feasible. Apply chemical pesticides only as a last resort and be sure to follow the directions on the label. Lastly, air-dry your leftover latex paint. When completely dried, latex paint may be disposed of in your household trash.

The District also coordinated a fluorescent light bulb collection and recycling program, which involved all member towns. This year roughly 41,410 linear feet of fluorescent tubes was collected, as well as 2,785 compact fluorescent bulbs, and 258 pounds of ballasts and batteries. The total cost for this effort was \$2,830.21 covered by district dues.

Prices paid for processed recyclables have been on the upswing over the last few months, so revenues for transfer stations should see some improvement compared to last year; however, they are still below the prices seen a few years ago. The composition of recyclable materials has also been changing. Containers are getting lighter, and many items, such as fruit juices and laundry detergent, are now being packaged in non-recyclable bags rather plastic bottles. So it's taking more effort to get full loads. When selling your recyclables, be sure to call multiple brokers as prices can vary between brokers. Even small differences can add up to significant dollars over the course of a year. Brokers also can offer a wide array of collection options (single-stream, co-mingled, split loads, etc) to best suit your recycling facility. What works for one town may not work for another, but no matter the circumstances, there are many possibilities for members to decrease waste and increase recycling efforts. We are very fortunate to have some of the best municipal recycling programs in the State as well as a knowledgeable and innovative group of facility operators. If your town has questions, issues, or concerns you would like to address, please use the resources you have available. New Hampshire the Beautiful offers grants to NH communities to help with the purchase of recycling equipment. Grants may total up to one-half of the purchase price of such things as balers, roll-off containers, collections bins, or other equipment

that will assist a town in achieving a higher diversion rate. More information on the grant program is available at www.nhthebeautiful.org.

As always, citizens interested in participating in the development of the District's programs are welcome to attend the District's meetings. Information regarding the place and time of the meetings is available at all municipal offices and recycling centers. If at any time an individual community needs assistance in regards to their solid waste/recycling program, please contact the District by email at pemibakerswd@yahoo.com.

Respectively Submitted,
Regan Pride, Secretary

THE WILLING WORKERS SOCIETY

Founded in 1920, the Willing Workers Society is a nonsectarian, charitable organization whose purpose is to foster a spirit of helpfulness throughout the community. Annually, the Willing Workers recognize a graduating senior with a Merit Education Award and make donations to local charities and municipal services. More than 25 women from Sugar Hill and surrounding communities comprise our membership.

Highlights for 2016 include:

- Three college-bound graduating Sugar Hill seniors were selected to receive Education Merit Awards. Merit awards of \$1000 will be awarded following successful enrollment in the sophomore year of college.
- \$1900 was awarded to municipal services and local charities in Sugar Hill, Franconia, Littleton and Bethlehem. A \$1000 Education Merit Award was paid to the 2015 Education Merit Award winner.
- For nearly 100 years, the Willing Workers have provided and served light refreshments at memorial services. During 2016, Willing Workers served as hostesses for 4 memorials, serving refreshments for more than 600 people, collectively.
- The Willing Workers held successful fund raisers including the Lupine Festival Luncheon, Grandma's Attic Sale during the Fall Festival, and the Christmas Sale. Proceeds are used to fund Education Merit Awards and charitable donations.
- The Willing Workers sponsored the 124th Annual Sugar Hill Christmas Party with 64 children attending. Rose Ellms provided leadership for party organization for her 14th consecutive year. In addition to Rose, this event would not be possible without the help of many local residents and businesses including Dennis and Kathie Cote, the Sugar Hill Chorus, Jim and Marie Snyder, Jim Keefe, Brenda and Maxine Aldrich of Harman's Cheese & Country Store, as well as Shaw's and WalMart which made donations. Mike Warren and Irene Amsbary served refreshments and Elves/Santa's Helpers included Finn Boissonneault, Luke Lorentzen and Brody Tors; with special assistance from Veteran Elves, Madison McLaren, Hannah Hodgdon and Madeline Ellms. As always, Santa Claus was the special guest and magically pulled presents from his sack for each of the 64 children.

The Society meets the first Thursday of most months for a noon luncheon meeting and new members are always welcome. Co-Presidents Wendy Cole and Betsy Fraser can be contacted for more information.

SUGAR HILL HISTORICAL MUSEUM REPORT

The Sugar Hill Historical Museum staff and members enjoyed a very busy and successful 2016 season. Presenting the **Clothesline** exhibit, hosting a garage sale, featuring an antiques appraisal day, and then ending the season with a grand Autumn Auction. Many necessary repairs were also made to the main building.

The 2016 exhibit, **Clothesline**, dazzled visitors with a vast array of textile exhibits, a vintage wooden washing machine, and wooden clothespins. Victorian ladies,' men's, and children's clothing, bureau scarves, bed and table linens, and the finest details and varieties of white-work and handiwork of the era were featured. Table collections included salt cellars, knife rests, butter dishes, crystal goblets, napkin rings, and an array of silver serving dishes, forks, knives, and spoons. We were reminded of how many people decorated their homes and served their meals to enhance their lives and impress guests.

June: Our **Garage Sale** was a hit! The generosity of our neighbors and friends spread items from the garage tables into the entire first floor of the newly acquired Reid-Burpee House.

September: The museum hosted **Yore Collectibles**, an antique appraisal event. Volunteer and certified appraiser Jim Marquis shared fascinating stories, explained each treasure's origin, use, and current value.

October: **Autumn Auction** – A big white tent was erected on the museum front lawn (see cover) for this long-anticipated event. As visitors waited for the opening of the live auction, they browsed through the rows of attractive items in the silent auction, viewed the live auction items in a balloon-decorated tractor-trailer next to the tent, bought raffle tickets, and visited the lunch counter in the sleigh shed. The live auction was led by volunteer auctioneer Mike Carver of **Ammonoosuc River Auction Company**. The efforts of everybody who donated and/or purchased items, every business that contributed items, and the museum's individuals who managed the event, shaped this overwhelming day into a grand success!

Our hard working crew is busy planning for 2017. Long-range ideas are to retro-fit the 1930s Reid-Burpee House. A lot of work will bring these representative buildings back to life. One surprise we had this past summer was the very generous contribution of museum member Scott Jesseman who painted all the buildings and house trim of the Reid-Burpee House. He also pulled up carpets, cleaned out the cellar, and hauled trash away. How wonderful the property looks now! The main exhibit, there will be a plethora of hats from Our Hat Trunk and a collection of vintage White Mountain Souvenirs. Updates of our progress will be on our *Facebook* and *Constant Contact* pages. Gift Shop will be up and running again with new raffles and a treasure trove of gifts.

Museum 2017 schedule is May 26th through October 9th, Friday and Saturday, 11am - 3 pm.

Please come and see us at the town's July 4th celebration.

SUGAR HILL IMPROVEMENT ASSOCIATION

Founded in 1890, the Sugar Hill Improvement Association is a community-based charitable organization dedicated to the benefit of its citizens and the betterment and beautification of the village of Sugar Hill, New Hampshire

All residents of Sugar Hill of legal voting age are members of the association. We meet downstairs in the Crapo Building quarterly or more often if necessary. Please consider coming out and joining us. The Officers of the Board of Directors include Beverly Frenkiewich, President- Lissa Boissonneault, Vice President- Kathie Cote, Secretary, and Sid Regen, Treasurer.

In keeping with Mr. Crapo's Will the association continues to give Book Awards to Sugar Hill residents graduating from High School, who will be furthering their education. This year we gave out a first year Book Award to Allie Butterfield and Marianne Hansalik. It is now our policy to renew for up to four years this award for any student who continues to meet the eligibility guidelines.

This year for the Meeting House we were able to purchase and install new energy efficient windows and storms and upgrade the lighting and electrical. New folding chairs were purchased for the Carolina Crapo Building. Also an additional all weather toy box was purchased for the new sand toys and a practice wall was added to the tennis court. This wall will be painted in the spring.

We are working on developing additional projects for the Founders Room of the meeting house. Our next step will be looking at different wall treatments.

We are always open to new ideas for things that will benefit the people of Sugar Hill if you have an idea you would like us to think about please speak to one of our officers.

Respectfully submitted,
Beverly A Frenkiewich
President

REPORT OF TRUSTEES OF TRUST FUNDS
SHIA EDUCATION FUND
SHIA CRAPO COMMUNITY FUND
2016

The two funds had a change of value before withdrawals, but after management fees of 7.8% as compared to the comparable market index of 9.5%. The Trustees have performed an analysis of the performance of Community Financial Services Corporation over the past 5 years and they have consistently underperformed the market. The Trustees have voted to invest in index funds to improve performance in the future and are seeking a new investment manager.

The Education fund had a starting balance of \$586,132.56 and an ending balance of \$677,979.19. The income which can be distributed had a beginning balance of \$51,672.75 and an ending budget of \$57,973.10 after disbursing \$10,000 to SHIA. It is recommended that SHIA increase the amount disbursed substantially as this year there was \$16,300 of income and SHIA only distributed \$10,000. It is recommended that at least \$20,000 and possibly more in scholarships be issued each year.

The Community fund had a starting balance of \$668,640.66 and an ending balance of \$763,638.71. The income which can be distributed had a beginning balance of \$65,244.60 and an ending balance of \$56,211.21 after disbursing \$28,000 to SHIA. It is recommended that SHIA continue to disburse in the \$25,000 range as the income earned was \$18,966.61, but there is a balance of \$56,211.21 left to be disbursed.

We are currently managing the portfolio to increase in value and not produce income since there is a significant surplus of undisbursed income. Should the surplus be fully distributed, it may be necessary for the Trustees to alter their investment strategy to produce the income that SHIA would like to distribute each year. This would require communication between SHIA and the Trustees to understand the need for income that can be distributed as principal cannot be disbursed to SHIA.

LAFAYETTE RECREATION COMMITTEE

Lafayette Recreation had a busy and fun 2016, chockful of events, sports, and activities for all ages. The Committee works hard to provide recreational opportunities to the residents of Franconia, Sugar Hill, and Easton, and we're continually striving to expand our activities in ways that engage our communities.

In 2016 Lafayette Recreation hosted twice weekly adult basketball and Zumba programs and partnered with the Arts Alliance of Northern New Hampshire to host a variety of events. We also continued our work to make Old Home Day, Earth Day roadside cleanup, and Halloween happenings successful community events. Holiday events included caroling through downtown Franconia, including a stop at the Lafayette Center, and a First Night party at the ice rink.

Our youth programs continue to engage children from all three member towns. We had 58 children involved in our baseball and softball teams last spring, 15 in the trail running program, 88 playing soccer, and 55 now involved in basketball. During the summer 60 Lafayette students – more than half of the school's enrollment – joined us for the Summer Recreation program, visiting many of our area's fun spots, taking swim lessons, and learning about bike safety.

In addition to these regular programs the Lafayette Recreation Department, in collaboration with other organizations and with a dedicated corps of volunteers, hosts the annual Top Notch Triathlon, Halloween Cup youth soccer tournament, Wobble-N-Gobble fun run, and the Franconia Scramble Color Run. Proceeds from these events have provided important funding through the years to improve and maintain the skating rink, build and maintain the gazebo at Dow Park, and create countless other positive changes and improvements to our recreational programs and infrastructure.

We continue to strive to offer an array of programs and activities for residents of all ages in our communities and welcome ideas. The Lafayette Recreation Committee meets the first Thursday of each month in the conference room at Lafayette Regional School, and residents are welcome to attend.

Respectfully submitted,

Lafayette Committee Members

Franconia: Adam Boyer, Meghan McPhaul, and Frank Pinter

Sugar Hill: Haley Ireland and Launa Glover

Easton: Matt Koehler and John Hynes

Lafayette Regional School: Gordie Johnk

Kris Kappler, Youth Program Director

Kim Cowles, Parks & Recreation Director

FRANCONIA NOTCH CHAMBER OF COMMERCE 2016 REPORT

2016 was a do or die year for the Chamber. Our commitment to find a viable combination of an office and welcome center space from which to build a bigger, better and busier Chamber became increasingly more difficult. The seasonal information center continued to deteriorate in its allotted space, while the business of the community continued to increase, creating a contest for accessibility for community and tourism needs. As a Chamber of Commerce, we needed to show our value to not only our members, but our surrounding communities as well. Through hard work and dedication, our Board of Directors and committees worked hard to refocus, recreate, and rebuild our chamber. The successes have come, or are in process through the following 4 actions:

A: Launching our new state of the art website - our most significant and effective marketing benefit to continually attract visitors, business and families to our four season destinations. Identifying and redefining our brand, mission and purpose: **Gateway to the North Country** at Exit 38 to Main Street Franconia, our unique village and all the routes East, North and West, and through our logo and tag line of **TAKE IT UP A NOTCH and Discover...** the uniqueness of our region, our legends and legacies, all promoting our members, communities and our region as a great place to play, stay, dine, shop and live, plus providing valuable and effective marketing opportunities for our members, and great information for our residents and guests. All residents of our tri-towns should visit franconianotch.org and appreciate and enjoy!

B: Strategic planning sessions to guide the board's action, mapping out where we want to be over the next 1, 3, and 5 years to continue to provide value to our members through great benefits, and to provide our guests, visitors and communities with resources about our area and membership by adequate staffing and developing an office-welcome center in the middle of Main Street Franconia Village which will allow us to do so.

C: Revisiting the pursuit of the former flower shop on Main Street with Sherman V. Allen, Inc. is back on the table with the support of our Main Street owners and members. The site is the most viable one for a complete welcome center and fulfills our mission for economic growth by bringing visitors and guests to the middle of the village where everything is available for needed respite, services and all that visitors and guests need on Main Street coming off Exit 38 - Gateway to the North Country, as well as all the information needed to stop, stay and play. The building will support public toilets, ample parking, walk-in welcome center with amenities, Wi-Fi, ample space for brochures, and all informational vehicles, a walk-up window, and separate office space for a fully staffed office and boardroom with space to hold meetings. Our membership throughout the region is anxious to support this as much as they support the NHDOT welcome centers at other exits throughout the state. Working with NH's Travel and Tourism Division of DRED and the support of its JPP grant program and other initiatives can be utilized for this project.

D: Development and implementation of new and creative marketing items and events showcasing the uniqueness of our communities while continuing to improve our signature events and community involvement.

To further fulfill our chamber’s mission statement and recognizing our welcome center as the Gateway to the North Country, we established the Northern Star Award at our Annual Dinner Meeting this year. The plaque reads: “Presented annually to an individual who has made lasting and significant contributions in the economic development of New Hampshire’s North Country by promoting its natural resources and quality of life while fostering a climate in which commerce, recreation and tourism flourishes”. The award will be hung on the wall of our welcome center and will be presented annually to a deserving individual. The plaque is sponsored in perpetuity by 5 of our members who have made many lasting and significant contributions in the economic development of New Hampshire’s North Country as members of FNRCC and several other chambers and organizations. We are grateful to Bank of New Hampshire, Eames Partnership, Peabody and Smith Realty, Presby Construction and The Raymond S. Burton Legacy Fund for their participation and support.

The Chamber honors the retirement of Maxine Aldrich and sincerely thanks her for her dedicated service to the chamber that touched 3 decades of leadership on our board; serving in many capacities including President and Chair (and founder) of the Fields of Lupine Festival/Lupine Celebration while serving as the steward of the organization’s history and accuracy of its parliamentary procedures. Shannon McKee retired from the board this year after 2 terms as Secretary and we very much appreciate her service in getting us through the tougher years.

The Chamber is grateful for the support from the communities, residents and our members. Thanks to the outstanding dedication of members of our current board, we can and will continue to promote our region's economic growth, provide superb hospitality and remain attentive stewards of our area’s history and attractions.

Respectfully submitted,
Heidi Tarling, Executive Director

ANNUAL REPORT EXECUTIVE COUNCILOR JOSEPH KENNEY

As I start my 4th year of service to you and the State of New Hampshire in Council District I, I am grateful, committed and honored to serve you.

I continue to work with the Governor, Council and Legislature on the important issues impacting the State. The Heroin and Opioid epidemic has been the number one issue. The Council has supported over \$25 million in contracts for prevention, treatment and recovery programs. In addition, the Council supported several millions of dollars for Law Enforcement Operation of Granite Hammer to interdict and prevent drug smuggling.

Economic development is still my top priority for the Northern most Council District and I will work with community and business leaders to assist in the creation of jobs and economic opportunity. I am committed to the Balsams project in Dixville Notch and I worked to form a nine member Laconia State Property Committee to support the Executive Branch with the future sale of that property. Good news stories include the expansion of Vermont NSA manufacturing into Groveton to create over 70 jobs, the expansion of River Valley Community College into the old Lebanon College building in Lebanon and the new addition of the \$7 million Marine Patrol Headquarters Building in Gilford.

I join with the N H Congressional Delegation - Senator Jeanne Shaheen, Senator Maggie Hassan, Congresswoman Annie Kuster and Congresswoman Carol Shea-Porter in working with other New England states and our northern Canadian friends to seek economic opportunities and relationships.

The Ten Year Transportation Improvement Plan process working with the Department of Transportation and the Regional Planning Commissions was completed upon passage by the Legislature and signature of the Governor in June. The plan focuses on preservation, maintenance and safety of existing pavement and bridge infrastructure throughout the State. The US Congress passed the Fixing America's Surface Transportation (FAST) Act, which provides increased federal funding to the State of New Hampshire over the next five years. Contact William Watson at NHDOT for any additional details at 271-3344 or bwatson@dot.state.nh.us.

The 2017 session of the N H House and Senate will address legislation that deals with the heroin and opioid crisis, sustainment of Medicaid expansion, federal health care opportunities and funding, business and workforce development. Again, I'll be watchful of proposed legislation passing costs on to the county and local levels of government. Stay close to your local state senator and house members.

The Governor and Council are always looking for volunteers to serve on the dozens of boards and commissions. If you are interested, please send your resume to Governor Chris Sununu, State House, 107 North Main Street, Concord, NH 03301 attention Meagan Rose Director of Appointments/Liaison or at (603) 271-8787. A complete list is available at the NH Secretary of State website at:

www.sos.nh.gov/redbook/index.htm.

My office has available informational items: NH Constitutions, tourist maps, consumer handbooks, etc. I periodically send, via email, a list of my schedule for the week. Send me your email address to be added to the list if you would like at:

Joseph.Kenney@nh.gov.

Contact my office any time I can be of assistance to you.

REPORT FROM YOUR NORTH COUNTRY SENATOR JEFF WOODBURN

Dear Constituent,

It is an honor to serve as your State Senator representing District 1, which includes 58-rural, northern communities, encompassing 27 percent of the state's landmass. It is a region larger than two states and 17 foreign countries and containing fewer than twenty people per square mile.

The North Country, including the White Mountains region, has a uniquely different culture, landscape, economy and history than the rest of the state. It is my focus to ensure that State government understands this and doesn't forget us. Our needs, challenges and opportunities are different. At the top of my priority list is stabilizing our fragile economy while improving the quality of life for all our people. First and foremost, this means advocating for policies and projects that expand business and entrepreneurial opportunities that will raise stagnant wages.

Over the years, we've made important bipartisan investments that disproportionately benefited our region in the previous sessions and I will fight efforts to repeal them. I support our continued efforts to expand access to health care, reduce the burden of uncompensated care at local hospitals, invest in local road and broadband infrastructure and build a budget that reflects the needs of rural areas.

In the Senate, my goal has been to be practical and to work with everyone to get results for our region. But voting is only a part of my work, I have been accessible and available to my constituents, holding town hall meetings, office hours and tours for state leaders. I have tried when possible and appropriate to bend state government to meet the needs of rural people and rural communities.

I love being the voice for the North Country and am constantly inspired by our people and places that make our beloved home so special.

Be in touch, if I can be of assistance to you or your community.

Regards,
Jeff Woodburn
North Country Senator
State House Room 120
603.271-3207 Jeff.Woodburn@leg.state.nh.us

2016 NORTHERN HUMAN SERVICES DIRECTOR'S REPORT

White Mountain Mental Health

I am happy to report that there has been a great deal of positive activity this year at Northern Human Services. It has not been a year without challenges, but challenges are opportunities to develop creative, efficient, accountable innovations. Some highlights:

- Very complex and ill people are now being intensively supported, 24/7, using a team-based treatment approach called “Assertive Community Treatment” (ACT). As a result, hospitalizations are avoided and community safety is increased.
- Our telemedicine services have been updated to a totally secure, web-based system. Tele-medicine was adopted several years ago to meet the need for immediate evaluation of people who come to our local hospital emergency rooms in crisis. In partnership with all seven hospitals in the NHS service area, hours of wait time and costly and dangerous travel have been eliminated by this service.
- Children in need of expert evaluation by a Child Psychiatrist are being seen by a psychiatrist from Dartmouth via tele-medicine from our Littleton office. Without this innovative program, children from our area would need to travel to Lebanon and wait months for an appointment.
- People who commit non-violent crimes as the result of mental illness continue to be offered support, resources and treatment through our collaboration with the Grafton County Mental Health Court.
- In this tough economy, employment is a huge challenge for many of our clients. To respond to this need, we have hired an additional Supported Employment Specialist, trained in assisting persons with mental illness to seek, obtain and keep jobs. This is one of the “evidence-based practices” we have implemented, using methods that have been proven to be effective in studies across the country.
- We continue to offer our staff high quality continuing education through a contract with an online learning company, saving substantial money and time and offering our employees a huge array of educational options.

All of these varied activities depend on the support of our towns. This year we served 3 people from the Town of Sugar Hill, providing 6 hours of counseling. Of these hours, 6 were provided to persons in crisis who needed immediate, sometimes life-saving, intervention. Even when a community does not have a large number of uninsured persons seen during the year, your funding helps us maintain our all-important 24/7 emergency services system, with a psychiatrist always on call, which is so costly for us to maintain but so important for the community.

Thank you for your continued support of our services. We want to be here when you need us.

Respectfully Submitted,
Jane C. MacKay, LICSW
Area Director

NORTH COUNTRY COUNCIL

As the Regional Planning Commission serving 51 municipalities and 25 Unincorporated Places of Northern New Hampshire, North Country Council continues to move forward as a proactive resource for our communities, partners and the region, providing professional economic development, community, regional, transportation and solid waste planning services to serve your needs. Here are some of the highlights from the past year:

- Played key, supportive role in helping to secure \$800,000 in funding for infrastructure improvements at the former Wausau paper mill site in Groveton, as well as \$25,000,000 for construction of the new Morrison Senior Living Community in Whitefield.
- Provided grant writing and technical assistance to assist communities.
- Designated to administer Northern Border Regional Commission (NBRC) grants within the region.
- Coordinated household hazardous waste collection events serving 26 towns in the region.
- Administered funds that enabled Grafton County Senior Citizens Council, Transport Central, Tri-County Community Action Program and Advance Transit to reimburse volunteer drivers for 5,549 trips provided to the elderly or disabled.
- Completed over 150 traffic counts throughout the region to provide consistent and reliable data for use when planning infrastructure improvements.
- Completed the last of four federally-funded scenic byway corridor management plans and staffed North Country Scenic Byways Council to maintain the state byway designation.
- Administered grant for the study of the Mad River to identify options for saving Campton Village water infrastructure from costly streambank erosion.
- Provided member municipalities with guidance on records storage, prime wetlands designation, private development on federal land, bonding, interpretation of local regulations, and to several communities with the process for cell tower review, master plan updates and capital improvement programming. Dues provided match funding to enable some additional hands-on assistance with updates to local land use regulations, zoning amendments, downtown revitalization, and MTAG and hazard mitigation grant applications.
- Assisted Coos County Planning Board with review of Balsams redevelopment plans.
- Facilitated bulk purchase by communities of the NH Planning and Land Use Regulations
- Developed a guide to help cities and towns learn how to better promote sustainable business.
- Partnered with Northern New England Chapter of the American Planning Association (NNECAPA) to post case studies from ME, NH and VT showcasing successful community development projects in rural communities.

All of us here at North Country Council look forward to serving your community. NCC is your organization. We are here to serve you. We are dedicated to both supporting our individual members and promoting our region's success. We look forward to working with you in the months ahead.

Respectfully submitted,
Barbara Robinson
Executive Director

AMMONOOSUC COMMUNITY HEALTH SERVICES, INC.

In 2015, ACHS celebrated 40 years of **providing comprehensive primary preventive health care to anyone, regardless of their ability to pay.** Support from the **Town of Sugar Hill** is extremely important in our continued efforts to provide affordable health care services to the 26 rural towns in our service area. Our sliding fee scale for payment of services provides a vehicle for uninsured and underinsured patients to get the health care they need in a timely manner. Keeping just one patient out of the ER could save taxpayers \$1,000-\$1,500 (average cost of an ER visit).

Access to affordable dental and oral health care is difficult for many in the North Country who lack the means to pay for these services. Poor oral health can lead to many other serious health issues and often leads to costly hospital ER visits where the actual causes of the problem cannot be addressed. ACHS opened the first community oral health program in northern New Hampshire on the ACHS-Littleton campus in January of 2015. This program is available to all and we offer a sliding fee scale for payment to those who qualify. For more information about this program, please visit our website: www.ammonoosuc.org/services/dental.

Services Provided

- Primary Preventive Medical Care – Family Practice - Prenatal Care through Geriatrics
- Prenatal Care - Childbirth Education, Nurse/Midwife Service and Newborn Care
- Family Planning - Birth Control, STD and HIV Testing and Counseling
- Breast & Cervical Cancer Screening Program
- Behavioral Healthcare - Counseling
- Dental & Oral Healthcare –The ACHS Dental & Oral Health Center opened full-time in January 2015
- Pharmacy Services - In-house Pharmacy, Medication Management, Low-Cost Drug Program
- Financial Services - Sliding Fee Scale for eligible patients

ACHS Statistics (FY 2014-2015)

- Number of Unduplicated Clients Served: Medical 9,348, dental 1,088 behavioral 488
- Number of Visits: Medical 32,544, dental 3,024, behavioral 3,399
- Client/Payor Mix: 21.% Medicaid, 26.4% Medicare, 10.6% Uninsured, 42% Insured
- Value of free medications provided to our patients: \$458,485
- Value of discounted health care services provided to our patients: \$1,060,706 total; Medical \$342,244, Dental \$354,120, Behavioral Health \$11,546, Pharmacy \$352,796

Town of Sugar Hill Statistics

- Total # of Patients – 172
- Total # of Medicaid Patients – 9
- Total # of Medicare Patients – 51
- Total # of Self-Paying Patients – 2
- Total # of Sliding Fee Scale Patients – 4

Respectfully Submitted,
Edward D. Shanshala II, MSHSA, MSED
Chief Executive Officer

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.

ANNUAL REPORT 2016

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well being of our communities' older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill and Lincoln; and sponsors the Grafton County ServiceLink Resource Center and RSVP and the Volunteer Center. Through the centers, ServiceLink and RSVP, older adults and their families take part in a range of community-based long-term services including home delivered meals, community dining programs, transportation, outreach and counseling, chore/home repair services, recreational and educational programs, and volunteer opportunities.

During 2015-16, 24 older residents of Sugar Hill were served by one or more of the Council's programs offered through the Littleton Area Senior Center and 11 residents were assisted by ServiceLink:

- Older adults from Sugar Hill enjoyed 78 balanced meals in the company of friends in the center's dining room.
- Frail Sugar Hill adults received 16 "Meals on Wheels" delivered to their homes during the year.
- Older adults and adults with disabilities accessed goods and services through 69 rides on the lift-equipped van.
- Sugar Hill's citizens participated in 295 health, wellness, arts or continuing education activities at the Littleton Area Senior Center.
- Sugar Hill residents received assistance with access to benefits, caregiver support or issues of long-term care through 21 contacts with ServiceLink or the GCSCC outreach worker.
- Sugar Hill's citizens also volunteered to put their talents and skills to work for a better community through 405 hours of volunteer service.

The cost to provide Council services for Sugar Hill residents in 2015-16 was \$2,431.10. Such services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty, saving tax dollars that would otherwise be expended for nursing home care. They also contribute to a higher quality of life for older friends and neighbors. As our population grows older, supportive services such as those offered by the Council become even more critical.

Grafton County Senior Citizens Council very much appreciates Sugar Hill's support for our programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes.

Roberta Berner, Executive Director

UNIVERSITY OF NEW HAMPSHIRE
COOPERATIVE EXTENSION
Annual Report 2016

University of New Hampshire Cooperative Extension's mission is to provide New Hampshire citizens with research-based education and information, to enhance their ability to make informed decisions that strengthen youth, families and communities, sustain natural resources, and improve the economy.

- Here are some of our noteworthy impacts during the past calendar year: Jim Frohn completed the County Forest timber sale. 1,418 cords were harvested for a net revenue of \$36,673 (127% of projected) and \$2,963 in tax revenue for the town of Haverhill.
- Michal Lunak continued work on a three year research project funded by the Tillotson Charitable Foundation looking at the economic feasibility of producing dairy beef in the North Country.
- Lisa Ford taught 350 youth about food groups, food safety, and physical activity.
- Donna Lee received a grant to fund an undergraduate Student Intern to host a Sheep Exploration Day for youth in the county and assist with 4-H activities at the North Haverhill Fair.
- Geoffrey Sewake collaborated on the New Hampshire First Impressions Program in Littleton using a secret shopper model to advance community development and on a multi-partner workforce-focused business outreach program in Lincoln and Woodstock.
- Jessica Sprague presented Safety Awareness in the Food Environment training to over 217 food service employees and volunteers and taught ServSafe® classes to 93 individuals.
- Heather Bryant collaborated with the Grafton County Farm and Conservation District, and the Natural Resources Conservation Service on a cover crop demonstration at the Farm.
- With help from Becky Colpitts, Grafton County welcomed 13 new Master Gardener volunteers.

**Be sure to look for us on Facebook and Twitter and on-line at
www.extension.unh.edu**

Respectfully submitted:
Heather Bryant, County Office Administrator

CENTER FOR NEW BEGINNINGS

The Center for New Beginnings has been quietly helping local individuals and families around the North Country, some of whom are your friends, family members, neighbors and employees, lead happier, more stable and productive lives for over 30 years. The Center was founded with a main focus of services to victims of domestic violence and sexual assault. Today our nonprofit organization is dedicated to improving the lives of people who struggle with depression, anxiety, grief, trauma, marital problems, and many other difficulties. The children and teenagers we see come to us with a myriad of challenges that reflect the social, cultural, and economic struggles of our time. *We are also working hard to answer the need of those suffering with addiction – a widespread problem.*

We are often asked “What makes you different from Northern Human Services?” We are not a federally funded community mental health center. We are an independent non-profit. We provide short-term care for acute issues, rather than long-term care for more chronic cases. There is significant need for both types of services. We both have substantial waiting lists. We are continuously looking to hire qualified providers.

Thankfully, with the Affordable Care Act, more and more of our clients have insurance coverage. However, many of these policies carry high deductibles and co-pays. A deductible of three or five thousand dollars is not unusual - and for many this means getting help is out of their reach.

In 2016, The Center for New Beginnings provided services to 500 individuals. We logged 6300 patient appointments. Nine of our clients reside in Sugar Hill.

When people are mentally healthy they are better employees, more conscientious parents, and are able to positively contribute to their communities. Healthy children do better in school, control behaviors that are disruptive in class, and grow up to be resilient adults. Individuals who are mentally stable are much less likely to commit crimes or wreak havoc among their families, coworkers, and acquaintances. Everyone benefits from a population that is mentally healthy.

Please contact us if you would like to learn more about the counseling services we provide for individuals and their families, or our Employee Assistance Program, a confidential counseling and referral resource program for employees and their family members to help them deal with personal and work-related issues.

Good works have always relied upon the generosity of good people. Thank you for your support.

Sincerely,
Board of Directors
The Center for New Beginnings

I hereby certify the above information is correct, according to the best of my knowledge and belief.

Lissa Boissonneault, Town Clerk

In Memorium

This page is to honor those no longer with us, who gave their time, their heart, and their energy to our community so that others may benefit.

This year, we said goodbye to-

James “Jim” Cyrs

Jim served the Town on both the Sugar Hill Fire and Police Departments. He was a lifelong resident of the community and was known to most residents through his plumbing and heating business as well.

James McCusker

Mr. McCusker served the Town as a Trustee of the Carolina Crapo Trust Fund for many years.

Harry Reid

Harry was born and raised in Sugar Hill and after many years of military service returned to Sugar Hill where he served as Fire Chief, School Board Member, Planning Board Member and Selectman.

Laurence “Larry” Ring

Larry served the Town of Sugar Hill as a member of the Select Board and also as a Cemetery Trustee. The Town is fortunate to have excellent Cemetery records in part because of Larry and his wife Jean’s work in compiling them.

**We will miss these fine gentlemen who have
given so much to our community.**
